What I think the school could do better/ suggestions for improvement

- Have more activities for reception class (drama, singing)
- Have varied after school clubs to have the choice to choose one suitable one
- More single mums working e.g. school clubs at a cheaper rate
- More after school activities
- For children 'below expected' to bring additional work during the week apart from homework for us parents to support them and give them additional support at home.
- Provide newsletter on paper as before
- More educational trips
- After school clubs
- More recognition for small accomplishments
- More praise to kids
- More homework for children who would like to do some extra work
- More after school clubs for Yr 1 and 2
- Learning strategies
- Increased focus on maths
- Needs to instil the ideas and suggestions on child discipline
- When confronted in regards to problems at home e.g. behaviour or attitude I think the school could help more in regards to working with parents.
- Provisions for individual learning
- Arranging more opportunities to see how child learns
- Providing more evaluations on homework from the parents point of view
- School homework clubs for Yr 1 and 2
- More information more frequently on what will be studied
- More adult staff in playground
- A nursery
- Caters well for average students but fails to encourage to push boundaries.
- Reward/ behaviour system does not encourage well behaved children but is geared towards improving behaviour of those not reaching acceptable level
- More communication from teacher, perhaps in the reading record book
- The whole marking system is confusing, I do not know what level my daughter is on. I don't know if she is progressing.

- Think the school could do with more staff, seem very overstressed lately. Teachers having loads of roles each.
- I would like the school to keep the good and experienced teachers on for the good of our kids
- More rigorous marking of homework
- After school club that can cater or accommodate each child, not take turns.
- Children under a lot of pressure
- Staff over stretched, need more staff
- Balanced meals
- Use resources available to improve assistance to children with special needs
- Minimise disruption of unruly children
- Will the school be able to offer classes for advanced pupils, just as before?
- Retain excellent teachers
- Provide more healthy lunch offers
- Inform about child's progress more frequently e.g. once a week
- Turn over of staff is really high and needs to be addressed
- Newsletters are out later which is difficult to know if your child has a certificate
- Verse other schools in things
