**Welcome back!**

Dear parents and carers,

What a wonderful start to the new academic year. All the staff and pupils have come back with smiles on their faces ready for another productive year and we are welcoming new pupils across the school. We have so much planned this year, please keep up to date with dates and events on our school website and notice board. This newsletter is a paper copy as it is the beginning of the school year, however all future newsletters will be available on the school website each Friday.

A paper copy will be placed on the school notice board .

I hope you received the letter that was sent home on Wednesday. This letter had an outline of any changes we have made this year and expectations for the year ahead. With this letter was sent home the Club letter. We ask for the requests to be returned to school by Tuesday 11th September, Mr Beach will then spend time organising the clubs and a text will be sent home on Friday. We ask that a swift payment is made for the club, failure to do so may result in your child being asked to leave the club as all clubs seem to have waiting lists.

One other club not mentioned in the letter is CHESS CLUB. This is free and is available to ALL pupils. Chess Club takes place in the school hall every Thursday during lunch time, please encourage your child to come along.

We are continuing to develop the club opportunities to cater for all pupils across the school. We will listen to your feedback and look to make any necessary changes to improve.

## **Instrument lessons.**

Please look out for a letter from Mr Lopez on Monday which will outline all the music instrument lessons that are available this year, including singing lessons.

God's Blessings, Mrs Stacey. Headteacher
