Dear Friends,

What is the WCPS friends?

Most schools have a Friends Association, it's an organisation of parents and staff of the school that help organise social events for children and their families to raise funds. The funds raised are primarily used to purchase additional resources that are not typically available within the school budget that will benefit our children. It also helps encourage closer links between home and school and to provide an opportunity for parents, staff and pupils to get together in a non-academic environment and have some fun.

What kinds of events have been run previously?

Cake sale, Quiz, Summer fair, Christmas fair, Disco, international evening.

How to make the Friends a success?

The success of the Friends depends entirely on the support of parents, families, staff and community. All parents automatically become a member of the WCPS friends when their child joins the school but it's totally your choice how involved you would like to get. We greatly appreciate any help and assistance, new faces and fresh ideas are welcome at meetings, the more people involved the more successful it will be.

How can you help?

Can you attend regular meetings, help make decisions, be proactive, be enthusiastic and help plan and organise events? If that's you then please join our Friends Committee we need you, the bigger the team the more successful it will be.

If you are unable to commit to this there are still plenty of other ways you can help like volunteering at events, donating items, attend events, share your ideas, whatever help you can give will all be appreciated.

The next meeting will be on **MONDAY 1ST OCTOBER AT 3.30 pm** at school.

The next event is **INTERNATIONAL DAY ON FRIDAY 19TH OCTOBER**. Always a popular event. A chance to make and bring some food from your country to share with others in the school. Look out for further information!

Thank you in advance , WCPS Friends
