

Year 6 News

Welcome back and Happy New Year.

Year 6 led our Christmas performance called 'Bethlehem Bandits' this year and I have to say that all the children did a tremendous job in learning their lines and performing the play itself. I was extremely proud of the effort they put in and would like to congratulate them on a job well done.

The Spring term is a very important one as it is the final full term before SAT's. It is of vital

importance that your child attends school every day and that they complete all parts of their homework.

Events of this half term.

The children will be visiting to Sayer's Croft from Monday 1st Feb– Fri 5th Feb.

Please ensure all payments have been made by 22nd January .

Your child will be allowed £ 8.00 pocket money. Please hand this in to Mrs Maker with your child's name clearly written on the envelope.

It is very important that you read the information booklet that was given to you at the meeting and that you pack all items on the list.

Most importantly lots of socks, a hat, gloves ,scarf and a water-proof coat!

The list and other information is on their website.

SAT'S

During the half term children will be given maths, English and science books to start revising for SAT's please ensure these books are looked after and NOT written in as they will be collected back after testing.

Homework :

Homework will be given out daily. Your child will record in their homework diary what they are expected to do each night.

Please could you sign this so as to ensure the work has been completed.

Homework should last approximately 30 minutes and then your child should also read for a minimum of 20 minutes each night.

Timetable of homework:

Monday: English (red book)

Tuesday : Maths (blue book)

Wednesday: Topic (green book)

Thursday: Spellings (w.sheet)

Friday: Occasionally children may need to research over the weekend.

Topics for this half term:

RE: Special people and Meals

Literacy: Story writing and non fiction texts.

Maths: Fractions , decimals and % , problem solving and investigations.

Sci: Separating solids and liquids

Art: Landscapes (contd)

ICT: Digital imagery and animation.

PE: Football

Music Linked to topics
