Home School Agreement

Our School - Westminster Cathedral Catholic Primary School aims to provide a caring, stable, stimulating environment for learning.

'Catholic Schools are established by the Church for Catholic children and young people, who, through baptism, have a right to an education in the Catholic faith. Catholic schools in their various forms are built on the foundations laid by previous generations of parents and clergy. We have inherited this rich tradition of Catholic schools from them and are committed to handing it on to future generations.'

Our Catholic Schools, Their Identity and their Purpose 2012

Staff are committed to ensuring that the children's time at school is productive and successful. We aim to raise achievement through all aspects of the curriculum; developing self-confidence, motivation, self-reliance and co-operation. We are committed to equality of opportunity and serve the local community by welcoming children from all backgrounds. We value and respect the diversity of our community and aim to set all children on life's path through compassion, thoughtfulness and understanding of one another's differences. We believe that parents and teachers have a responsibility to ensure that children leave primary school with:

- ***good basic skills in reading, writing, mathematics and computing***
- ***a love of learning***
- ***good social skills***
- ***a sense of responsibility towards society***
- ***the confidence to stand up for themselves***
- ***the knowledge that they are special in God's eyes***

So that they are well equipped for a successful future.
