Dear Parents

For this coming term, there will be a variety of after school sports clubs available for children. Please can you indicate which clubs your child will be interested in attending next term. However in some cases your child will be unable to attend all clubs selected due to high demand. If your child was not included in clubs last term but you had returned a form last term, your child will have priority in being chosen for the club when this letter is returned.

It is important that if you want your child to attend a club that you return the letters no later than **Tuesday 12<sup>th</sup> September**. Once all the clubs have been organised, confirmation will be sent out **via text by Friday 15<sup>th</sup> September** to indicate which club your child will be participating in.

The price of each club will cost £20 per child for 10 weeks. Please do not attach money to return slips as money will be required once your child has been confirmed a place in the club. Please ensure payments are made within two weeks of your confirmation into the club.

As you can see Little Kickers will be providing additional clubs this year. This will run independently from our school and so you are to book and make payment to the club directly. The costing of Little Kickers is £5 per session (£50 for the term.)

We will be trying our utmost to organise competitive games with other schools every other Friday for children in KS2 and letters will be handed out prior to events happening. Twinkle Toes is still running but to book a place on their after school club they have to be contacted directly.

Clubs will be starting Monday 18<sup>th</sup> September 2017.

Thank you
