Year 4 Assembly Growth Mindset

Year 4 have done it again, they have left me speechless!

Their assembly based on Growth Mindset was excellent. Year 4 put into practise all they taught us regarding Growth Mindset. The class were able to prepare and rehearse their assembly in a week and they spoke and sang so clearly.

The children taught us about Growth Mindset and the words and phrases we should say to encourage us to have a growth mindset. I was particularly intrigued to hear that famous people like Walt Disney, Bill Gates and JK Rowling were rejected for their work yet they did not give up. Through their growth mindset they have all achieved outstanding things.

Thank you Year 4 for starting the new school term very positively and I look forward to seeing the school put into practise all you have taught us.

Thank you

Dear parents and friends,

This week I have a number of thank yous to say.

Scholastic Book Fair

Thank you to the pupils and parents who came to the book fair this week. I was really pleased to see how busy the fair was and the choice of books the children were buying.

Catholic Children Society Lent Boxes

Thank you to those who have returned the Catholic Children Society charity boxes. The money will be counted and sent to the CCS. If you have a box still at home, please return to school as soon as possible.

Art Club

Thank you to Mr Spearman and the art club for sharing your wonderful work. Mr Spearman and Mrs Hughes turned the hall into an art exhibition on Tuesday where we were able to see all the wonderful work the children have created.

Loom bands

Thursday and Friday after school some of the pupils in Year 5 sold the loom bands they made. The money they raised will go towards the Catholic Children's Society and towards resources for their classroom. Thank you so much to the pupils for being creative and to the families who bought a loom band.

I hope you have a lovely long weekend.

Yours Mrs Stacey

Football Tournament

Thank you to Mr Beach and Mrs Hughes for taking the Year 3 team to the football tournament on Wednesday. Mr Beach was really pleased with the team, he reported back to me the excellent behaviour of the team and how well they worked together. They enjoyed the day of receiving training and then an afternoon of playing games against other schools in Westminster. The team won two games, drew one and lost one.

Fit and Fruity

Reception had a presentation for 'Fit and Fruity' this week. It was a good presentation, the class learnt about being healthy and healthy food. Some of the pupils told me; *"I didn't know that juices had so much sugar. I'm going to drink more water now."*

"I didn't know that tomatoes are good for us."

"I'm going to do more riding on my scooter."

"I want to try to play more football."
